Dear Colleagues,

It is a great pleasure and honor for me to announce the organization of the 5th Mediterranean Multidisciplinary Oncology Forum (MMOF) Congress, which will be held in Athens, in November 23-25, 2017.

The 5th MMOF Congress is expected to be a lively International Forum for oncology professionals across the Mediterranean, to meet, integrate, discuss and share ideas and communicate new developments in Oncology for the advancement of cancer care across the Mediterranean Sea.
